

Chapter 231

(House Bill 76)

AN ACT concerning

Health Occupations – Pharmacists – Administration of Vaccines

FOR the purpose of authorizing a pharmacist to order and administer certain vaccinations to individuals in certain age groups if certain requirements are met; altering the vaccinations that a pharmacist can administer to individuals of at least a certain age; altering the circumstances under which a pharmacist may administer certain vaccinations; and generally relating to the administration of vaccinations by pharmacists.

BY repealing and reenacting, with amendments,
Article – Health Occupations
Section 12–508
Annotated Code of Maryland
(2021 Replacement Volume and 2023 Supplement)

SECTION 1. BE IT ENACTED BY THE GENERAL ASSEMBLY OF MARYLAND,

~~[(ii)]~~ ~~(3)~~ **(4)** A pharmacist shall administer a vaccination under [subparagraph (i)] ~~PARAGRAPH (1) OR, (2), OR (3)~~ of this [paragraph] **SUBSECTION** under a written protocol that:

[1.] **(I)** Is vaccine specific; and

[2.] **(II)** Meets criteria established by the Department, in consultation with the Board, the Board of Physicians, and the Board of Nursing, in regulation.

~~(4)~~ **(5)** A pharmacist shall:

(i) Report all vaccinations administered by the pharmacist to the ImmuNet Program established under § 18-109 of the Health – General Article;

(ii) If the vaccination has been administered in accordance with a prescription, document at least one effort to inform the individual's authorized prescriber that the vaccination has been administered; and

(iii) [For a vaccination administered under paragraph (2) or (3)] **EXCEPT FOR AN INFLUENZA VACCINATION ADMINISTERED UNDER PARAGRAPH (1)** of this subsection, if the authorized prescriber is not the individual's primary care provider or if the vaccination has not been administered in accordance with a prescription, document at least one effort to inform the individual's primary care provider or other usual source of care that the vaccination has been administered.

(b) The Board shall:

(1) Set reasonable fees for the administration of vaccinations under this section; and

(2) Adopt regulations that require a pharmacist to submit a registration form to the Board that includes verification that the pharmacist:

(i) Has successfully completed a certification course approved by the Board that included instruction in the guidelines and recommendations of the Centers for Disease Control and Prevention regarding vaccinations; and

(ii) Is certified in basic cardiopulmonary resuscitation and obtained the certification through in-person classroom instruction.

[(c) From July 1, 2021, to June 30, 2023, inclusive, a pharmacist may administer a vaccine to an individual who is at least 3 years old but under the age of 18 years if:

(1) The vaccine is approved by the U.S. Food and Drug Administration;

(2) The vaccination is ordered and administered in accordance with the Centers for Disease Control and Prevention's Advisory Committee on Immunization Practices immunization schedules;

(3) The pharmacist has completed a practical training program of at least 20 hours that is approved by the Accreditation Council for Pharmacy Education and includes:

(i) Hands-on injection techniques;

(ii) Clinical evaluation of indications and contraindications of vaccines; and

(iii) The recognition and treatment of emergency reactions to vaccines;

(4) The pharmacist has a current certificate in basic cardiopulmonary resuscitation;

(5) The pharmacist has completed a minimum of 2 hours of continuing pharmaceutical education related to immunizations that is approved by the Accreditation Council for Pharmacy Education as part of the license renewal requirements under § 12-309 of this title;

(6) The pharmacist complies with the record-keeping and reporting requirements in subsection (a)(4) of this section and the corresponding regulations; and

(7) The pharmacist informs each child vaccination patient and adult caregiver who is accompanying the child of the importance of well-child visits with a pediatric primary care provider and refers the patient to a pediatric primary care provider when appropriate.]

SECTION 2. AND BE IT FURTHER ENACTED, That this Act is an emergency measure, is necessary for the immediate preservation of the public health or safety, has been passed by a ye and nay vote supported by three-fifths of all the members elected to each of the two Houses of the General Assembly, and shall take effect from the date it is enacted.

Approved by the Governor, April 25, 2024.
