<p>The Smithsburg Athletic Boosters Club was organized in 1967 as a fundraising group to augment the athletic program. Two of our major purposes are to create interest in all athletic sports at Smithsburg High School and to promote fellowship among alumni, friends, and supporters of the school. We are a 501c3 organization focused on raising funds and taking action to help our students, community and surrounding County residents.</p>		

11. Description and Purpose of Project (Limit length to visible area)

This project is focused on improving our schools' athletic facilities for safety and well-being of our students and community in attendance. Our facilities are depleted and, in some cases, 30+ year old structures need replaced or constructed. Specifically, our focus is to partner with County School board and build a Fieldhouse at the Stadium to allow students to get out of bad weather during games/practices, add much need bathrooms for students & spectators, house a Training room so students can be helped when injured, ticket office and temperature-controlled storage for expensive Athletic equipment. This Fieldhouse will be used by all outdoor sports and all youth sports in the community when renting the field.
