<p>The mission of the corporation is to protect the lives, property and environment of Solomons and communities throughout surrounding areas from fires, natural disasters, and hazardous materials incidents; to save lives by providing emergency medical services; to prevent fires through prevention and education programs; and to provide a work environment that values cultural diversity and is free of harassment and discrimination.</p>		

**11. Description and Purpose of Project** (Limit length to visible area)

We are in the process of replacing our boat; a 28 aluminum vessel that has been in service since 1995. We are seeking your support in bolstering our mission abilities with an upgraded platform, technology and equipment to serve our community. This vessel will be slightly larger with upgraded navigation and a larger fire pump capable of pumping upwards of 1500 gallons per minute. The maritime vessel shall remain operational 24/7 and will be moored or stored as necessary at either the Solomons VRSFD or its designated boat slip in Solomons, Maryland 20688. Its foremost mandate pertains to the oversight and maintenance of safety and security within the Chesapeake Bay, which constitutes a crucial entry and exit point to the Port of Baltimore.
