<b>10. Description and Purpose of Organization</b> (Limit length to visible area)		
<p>PTA's help build a sense of community among parents, teachers, and students. They organize social events, family-oriented activities, and collaborative projects that bring people together. This sense of community fosters a supportive network, promotes school spirit, and strengthens the overall school culture. In addition we raise funds to support school based initiatives such as new technology, equipment, school based rewards, school to home literacy and math programs, fund cultural arts programs, and off-set field trip costs.</p>		

**11. Description and Purpose of Project (Limit length to visible area)**

The purpose of this project is to purchase Boxlights, an interactive display board, for the classrooms at Wolfsville Elementary School, in the rural community of Frederick County. Boxlights are essential resources for classrooms in all schools. FCPS does not currently replace the outdated and failing technology that our school is currently utilizing. The responsibility falls to the school's PTA and community. We have been actively fundraising, but this is difficult in our rural community. Our goal is to purchase Boxlights and other technology to facilitate our students' achievements. The PTA has already secured funds and purchased Boxlights for two classrooms. This project would allow us to purchase Boxlights for the remaining classrooms in addition to our art, music, PE, special education, and our speech and language classrooms as well. We feel as though having this added technology in all of the classrooms is essential for our students to be successful.

*Round all amounts to the nearest \$1,000. The totals in Items 12 (Estimated Capital Costs) and 13 (Proposed Funding Sources) must match. The proposed funding sources must not include the value of real property unless an equivalent value is shown under Estimated Capital Costs.*
