**State Board of Examiners of Psychologists - Sunset Extension**

---

This departmental bill extends the termination date for the State Board of Examiners of Psychologists by five years to July 1, 2030, subject to the evaluation and reestablishment provisions of the Maryland Program Evaluation Act (MPEA). **The bill takes effect July 1, 2024.**

---

**Fiscal Summary**

**State Effect:** Special fund revenues and expenditures for the board are maintained through FY 2030.

**Local Effect:** None.

**Small Business Effect:** The Maryland Department of Health has determined that this bill has minimal or no impact on small business (attached). The Department of Legislative Services (DLS) concurs with this assessment. (The attached assessment does not reflect amendments to the bill.)

---

**Analysis**

**Current Law/Background:** The State Board of Examiners of Psychologists is responsible for licensing psychologists, registering psychology associates, renewing licenses, reviewing continuing education, promulgating regulations, interpreting the scope of practice, educating licensees, and investigating complaints. The board comprises nine members: seven licensed psychologists; and two consumer members.

The board is one of approximately 60 regulatory entities and activities subject to termination unless reauthorized periodically through statute. Under MPEA, these entities may also be subject to an evaluation by the Office of Program Evaluation and Government Accountability (OPEGA) within DLS prior to its termination. However, OPEGA may conduct an evaluation only if directed by specified entities or by legislation. The board is scheduled to terminate July 1, 2025; OPEGA was not asked to conduct an evaluation prior to its termination. Accordingly, the board has requested reauthorizing legislation.
