13 Section 18-310  
14 Annotated Code of Maryland  
15 (1993 Replacement Volume and 1995 Supplement)

16 Preamble

17 WHEREAS, Currently proposed federal budget cuts will either eliminate all  
18 federal funding for summer jobs for the youth of Maryland or substantially diminish  
19 federal funds for these jobs; and

20 WHEREAS, As a result of proposed federal budget cuts, nearly 10,000 jobs for  
21 qualified youth in the State will be jeopardized during the summer of 1996; and

22 WHEREAS, Many youth in the State are self-supporting without a viable family  
23 support system and are dependent on a summer job for school supplies, clothing, and  
24 other necessities; and

25 WHEREAS, The absence of publicly funded summer job placements for the  
26 youth of the State will seriously diminish the opportunity for many high school graduates  
27 to attend college, encourage personal idleness, and place some youngsters at risk of  
28 engaging in illegal activities which promise immediate financial benefit; and

2

1 WHEREAS, Immediate action must be taken to establish a joint initiative by the  
2 State and the private sector to identify a source of funding for job opportunities for the  
3 youth of the State during the summer of 1996; now, therefore,
