House Bill 570 (Delegate T. Murphy, et al.)
Judiciary

Vehicle Laws - Drunk Driving - Modification of Driver's License Suspension

This bill authorizes the Motor Vehicle Administration to modify a driver's license suspension for drunk driving by allowing a restrictive license for a family's primary caretaker to fulfill the caretaker's responsibilities.

Fiscal Summary

State Effect: Potential minimal increase in Transportation Trust Fund revenues. No effect on expenditures.

Local Effect: None.

Fiscal Analysis

State Revenues: When the Motor Vehicle Administration (MVA) modifies a suspension, they issue a corrected license. The MVA collects \$20 for each corrected license issued. The total increase in Transportation Trust Fund revenue would depend on the number of suspension modifications issued.
