House Joint Resolution 3 (Delegate Owings)  
Environmental Matters

---

**Reflex Sympathetic Dystrophy Syndrome - Recognition and Continuing Research**

---

This joint resolution urges the medical community of Maryland to recognize reflex sympathetic dystrophy syndrome as a disabling disease and to continue and expand research on the syndrome.

---

**Fiscal Summary**

**State Effect:** Because a joint resolution is an expression of legislative intent only, compliance is not required and expenditures are not directly affected. Should the terms of this joint resolution be complied with, State finances would not be directly affected since it addresses the medical community as a whole.

**Local Effect:** None.
