FISCAL NOTE  
Revised

House Bill 236 (Delegate Turner)  
Judiciary

Referred to Judicial Proceedings

---

**Juvenile Law - Drivers' Licenses - Drinking or Possessing  
Intoxicating Beverages on School Premises**

---

This amended bill makes suspension of a minor's driver's license mandatory if the minor is found to have been drinking or possessing intoxicating beverages on school property. In addition, the bill provides that a suspension period for a juvenile without a driver's license begins on the date the juvenile turns 16.

---

**Fiscal Summary**

**State Effect:** Transportation Trust Fund revenues could increase by an indeterminate amount. The workload increase stemming from additional suspension actions could be handled with existing resources.

**Local Effect:** None.

---

**Fiscal Analysis**

**State Revenues:** The Motor Vehicle Administration (MVA) collects a \$15 fee for an application to reinstate a license, plus \$30 for reinstatement. Assuming that all the people whose licenses are revoked apply to and have their licenses reinstated after the revocation period, Transportation Trust Fund revenues could increase.
