FISCAL NOTE

House Bill 27 (Delegate Arnick)(Chairman, Administrative,
Executive, and Legislative Review Committee)
Commerce and Government Matters

Division of State Documents - Publications

This bill authorizes the administrator of the Division of State Documents to publish factual information in the Code of Maryland Regulations, the Maryland Register, or the Contract Weekly.

Fiscal Summary

State Effect: Minimal increase in special fund expenditures. Revenues would not be affected.

Local Effect: None.

Fiscal Analysis

State Expenditures: The cost of publishing the Code of Maryland Regulations, Maryland Register, and Contract Weekly could increase to the extent that the administrator of the Division of State Documents includes additional information that increases the number of pages in these publications. For example, it is estimated that each page of the Maryland Register costs \$63 to publish. Fiscal Services assumes that this bill would not result in a significant number of additional pages being published and, therefore, the fiscal effect would be minimal.
