FISCAL NOTE

House Bill 207 (Chairman, Commerce and Government Matters Committee)
(Departmental - Transportation)
Commerce and Government Matters

**Height Limits on Structures and Vegetation - Adoption of Regulations -
Baltimore-Washington International Airport**

This departmental bill requires the Maryland Aviation Administration (MAA) to adopt regulations establishing maximum height limitations on structures and vegetation within a four mile radius of the Baltimore-Washington International Airport that are consistent with applicable federal aviation regulations. The bill repeals certain sections of current law that specify such limits.

Fiscal Summary

State Effect: None. The adoption of regulations required by this bill can be performed within the existing resources of the MAA without the need for additional expenditures.

Local Effect: None.

Small Business Effect: The Department of Transportation has determined that this bill has minimal or no impact on small business (attached). Fiscal Services concurs with this assessment.
