Election Laws - General Assembly - Fund-Raising During the Session

This bill prohibits a candidate for election to the General Assembly from soliciting or accepting campaign contributions during any session of the General Assembly. Violators are subject to current law penalties of a fine not exceeding \$1,000 and/or imprisonment not exceeding one year.

Fiscal Summary

State Effect: Potential minimal increase in general fund revenues and expenditures due to the applicable penalty provision.

Local Effect: Potential minimal increase in revenues and expenditures due to the applicable penalty provision.

Fiscal Analysis

State Revenues: General fund revenues could increase under the applicable monetary penalty provision depending upon the number of convictions and fines imposed.

State Expenditures: General fund expenditures could increase as a result of the applicable incarceration penalty due to increased payments to counties for reimbursement of inmate costs, depending upon the number of convictions and sentences imposed.

Persons serving a sentence of one year or less are sentenced to a local detention facility. The State reimburses counties for part of the per diem rate after a person has served 90 days. State per diem reimbursements are estimated to range from \$10 to \$48 per inmate, depending upon the jurisdiction. Persons sentenced in Baltimore City are incarcerated in the Baltimore City Detention Center (BCDC), a State operated facility. The per diem cost for fiscal 1997 is estimated at \$43 per inmate.

Local Revenues: Revenues could increase under the bill's monetary penalty provision for those cases heard in the circuit courts, depending upon the number of convictions and the fines imposed.

Local Expenditures: Expenditures could increase as a result of the applicable incarceration penalty depending upon the number of convictions and sentences imposed. Counties pay the full cost of incarceration for the first 90 days of the sentence, plus part of the per diem cost after 90 days. Per diem operating costs of local detention facilities are expected to range from \$19 to \$96 per inmate in fiscal 1997.
