FISCAL NOTE
Revised

House Bill 1199 (Delegate Frank)
Economic Matters

Referred to Finance

Group Self-Insurance for Workers' Compensation

This enrolled bill provides that a "self-insurance group" which is organized by two or more employers to self-insure against workers' compensation losses must have a requirement that the governance of the group is under the control of its members.

Fiscal Summary

State Effect: None. The Insurance Commissioner would not require additional resources to adopt the regulations required by this bill.

Local Effect: None.
