8 30-1.

9 (a) In this subtitle, the following words have the meanings indicated.

10 (b) "Business" means any one or combination of sales, purchases, leases, or

16 business done during the period in which the agreement was entered into. Business of less
17 than [\$10,000] \$100,000 with an agency or governmental entity shall be reported if the
18 aggregate business done with all agencies and governmental entities amounts to more
19 than [\$10,000] \$100,000. Business does not include salaries paid by the State, a county, an
20 incorporated municipality, or other political subdivision of the State.

21 (c) "Business entity" includes a firm, corporation, trust, unincorporated
22 association, or other organization, whether or not conducted for profit.

23 (d) "Candidate" includes an incumbent office holder and a political committee for
24 a candidate.
