House Bill 1321 (Delegates Proctor and Vallario)  
Appropriations

---

Creation of a State Debt - Prince George's County - Showplace Arena  
(Equestrian Center)  
(\$650,000)

---

This bill provides \$650,000 in State bond proceeds as a grant to the County Executive and County Council of Prince George's County to plan, design, and renovate the Showplace Arena (also known as the Equestrian Center) in Upper Marlboro. The renovation will include retrofitting the facility to include an ice rink to be used by an East Coast Hockey League (ECHL) professional hockey team and locker rooms, shower facilities, box seats, other installations, and equipment necessary for professional hockey games to be played at the facility.

Fiscal Summary

**State Effect:** This \$650,000 bond authorization would be part of the total \$415 million general obligation debt authorization for FY 1998 as recommended by the Capital Debt Affordability Committee. State debt service costs on the \$415 million would be a maximum of \$43.9 million annually based on an interest rate of 4.90%.

**Local Effect:** None.

**Small Business Effect:** Minimal effect on small businesses as discussed below.

Fiscal Analysis

**Small Business Effect:** This bond bill would be part of the annual State capital program. Each year, the State approves a program of general obligation bond funded capital spending. The fiscal 1998 funding totals \$415 million, an amount consistent with the level of funding authorized in prior years. The State's capital program contributes to the construction industry

in Maryland, which includes many small businesses. In 1995, the total value of non-residential building construction contracts in Maryland was \$1.8 billion. The fiscal 1998 capital program will continue the State's contribution to the construction industry in Maryland but because it is only \$15 million over the fiscal 1997 level, it will not add substantially to it.
