Fiscal Analysis

Local Expenditures: Under existing law, the Anne Arundel County Sheriff's salary would be \$48,700 annually, excluding fringe benefits, beginning in calendar 1998. On a fiscal year basis, this corresponds to a salary and fringe benefits of \$56,078 annually, reflecting fringe benefits at 15.15% of salaries. The bill increases the salary to \$52,550 in calendar 1999 and by 2.8% annually thereafter through calendar 2002. Since the salaries are based on calendar years, the out-year fiscal impact would reflect salary increases covering two calendar years. For example, the impact in fiscal 1999 reflects six months of the \$48,700 salary and six months of the \$52,550 salary, plus fringe benefits. As a result, expenditures would increase by \$2,217 in fiscal 1999. This estimate reflects the salary increase for six months and fringe benefits at 15.15% of the salary. Future expenditure increases would be \$5,283 in fiscal 2000; \$7,004 in fiscal 2001; and \$8,774 in fiscal 2002.
