Fiscal Summary

State Effect: None.

Local Effect: Anne Arundel County expenditures could increase by a minimal amount annually as discussed below. No effect on revenues.

Small Business Effect: None. The bill would not directly affect small businesses.

Fiscal Analysis

Local Expenditures: Anne Arundel County expenditures could increase depending upon the salary paid to the additional full-time Administrator to the Board of License Commissioners. The Administrator's salary is within pay grade 16 (current salary range \$31,784 - \$47,961). The incumbent Secretary is paid at the top step of grade 13 (\$38,403). It is likely that the Secretary will be selected to fill the new Administrator position. As a result, the Secretary would be eligible for additional compensation, up to a salary of \$47,961. If the salary is upgraded, expenditures would increase depending upon the salary adjustment. For example, if the salary is raised 5%, expenditures would increase by \$2,210 reflecting the salary increase and fringe benefits.
