A BILL ENTITLED

1 AN ACT concerning

2 **Maryland Fair Imposition of the Death Penalty Database**

3 FOR the purpose of requiring the Department of Public Safety and Correctional
4 Services to establish a Maryland Fair Imposition of the Death Penalty
5 Database; requiring the database to contain certain information concerning
6 certain homicides in the State; requiring the Department of Public Safety and
7 Correctional Services to obtain data from certain entities; requiring the
8 Department to publish certain regulations by a certain date; requiring the
9 Secretary of the Department to submit a certain report to certain committees of
10 the Senate and the House of Delegates by a certain date; defining a certain
11 term; and generally relating to the death penalty in the State.

12 BY adding to
13 Article 41 - Governor - Executive and Administrative Departments
14 Section 4-104.3
15 Annotated Code of Maryland
16 (1997 Replacement Volume and 1997 Supplement)

17 Preamble

18 WHEREAS, Of all the states, Maryland has the highest percentage of minorities
19 on death row; and

20 WHEREAS, In 1993, a Governor's Commission on the Death Penalty found
21 "there is no evidence of intentional discrimination in the implementation of the death
22 penalty in Maryland, but racial disparities in its implementation remain a matter of
23 legitimate concern"; and

24 WHEREAS, In 1996, Governor Parris N. Glendening commissioned the Task
25 Force on the Fair Imposition of Capital Punishment in Maryland, stating that
26 "further inquiry that focuses on the apparent disproportionate representation in

1 capital cases according to the race of the defendant and the race of the victim is in the
2 interest of justice"; and

3 WHEREAS, The final report of the 1996 Task Force reflects continuing concern
4 regarding "the high percentage of African American prisoners under the sentence of
5 death and the low percentage of prisoners under sentence of death whose victims
6 were African Americans"; and

7 WHEREAS, The Task Force concluded that it had insufficient resources to
8 discover the causes of the racial disparity in Maryland's death penalty system and
9 recommended that a study be conducted "with a specific focus on obtaining
10 quantitative, qualitative, and anecdotal data about potential causes of racial disparity
11 in the imposition of capital punishment in Maryland"; and

12 WHEREAS, The judges of the Court of Appeals of Maryland, while agreeing that
13 a study of racial disparity in the imposition of Maryland's death penalty "may be both
14 appropriate and worthwhile," concluded that such a study should not "be undertaken
15 by the Court of Appeals"; now, therefore,

16 SECTION 1. BE IT ENACTED BY THE GENERAL ASSEMBLY OF
