3 litigation, and certain legislative mandates;

4 WHEREAS, Current policy requires a health occupations board to submit a  
5 proposed budget amendment in order to access its surplus funds each time the board  
6 incurs an unanticipated expense related to a disciplinary action, litigation, and  
7 certain legislative mandates;

8 WHEREAS, If the performance of each health occupation board is to  
9 significantly improve a reform allowing each board to establish a project reserve fund,  
10 to be expended on unanticipated expenses related to disciplinary actions, litigation,  
11 and certain legislative mandates, must be implemented; and

12 WHEREAS, No health occupation board will increase fees for its services in
