17 BY adding to

1 Article - Health - General
2 Section 8-6B-01 through 8-6B-07, inclusive, to be under the new subtitle
3 "Subtitle 6B. Employment in Recovery Pilot Program"
4 Annotated Code of Maryland
5 (1994 Replacement Volume and 1997 Supplement)

6 Preamble

7 ~~WHEREAS, Many factors contribute to a successful recovery from alcohol and~~
8 ~~drug addiction; and~~

9 ~~WHEREAS, Those factors include medical, legal, employment, and family and~~
10 ~~social relationship considerations; and~~

11 ~~WHEREAS, One of the factors that needs to be addressed and on which more~~
12 ~~attention must be focused is employment; and~~

13 ~~WHEREAS, Adequate employment will support recovery from alcohol and drug~~
14 ~~addiction by increasing self-esteem, providing for sufficient legal income, providing~~
15 ~~new associations with people, places, and habits, and providing a constructive daily~~
16 ~~schedule and routine; and~~

17 ~~WHEREAS, A successful link between employment and alcohol and drug abuse~~
18 ~~treatment promises an economic benefit to local communities and the State; and~~

19 ~~WHEREAS, The Alcohol and Drug Abuse Administration (ADAA) has~~
20 ~~documented that 20% of clients in drug and alcohol abuse treatment programs, who~~
21 ~~were unemployed and seeking employment at the time of admission into treatment,~~
22 ~~were employed at discharge and that an additional 8% of those clients, who were~~
23 ~~unemployed and not seeking employment at admission, were employed at discharge;~~
24 ~~and~~

25 ~~WHEREAS, Although these numbers represent an improvement and indicate~~
26 ~~some successes, it is essential that employment is obtained by more clients who~~
27 ~~complete alcohol and drug abuse treatment; and~~

28 ~~WHEREAS, The cooperation of the private business sector in any strategy that~~
29 ~~would link employment and alcohol and drug abuse treatment would facilitate the~~
30 ~~effective training and placement of individuals undergoing treatment in meaningful~~
31 ~~positions; and~~

32 ~~WHEREAS, In the absence of adequate funding and direction, substance abuse~~
33 ~~treatment providers have not addressed client employment needs in a consistent~~
34 ~~fashion to ensure successful outcomes; and~~

35 ~~WHEREAS, In recognition of this gap between current treatment programs and~~
36 ~~the needs of the private job market and the lack of a focused strategy on this problem,~~
37 ~~the ADAA shall design and administer an Employment in Recovery initiative that will~~
38 ~~provide demonstration grants to local health departments and county governments to~~

~~1 operate, in cooperation with local businesses, innovative ADAA funded treatment
2 programs that will, in a comprehensive and consistent manner, address client
3 employment needs both during treatment and after treatment; now, therefore,~~
