Child Abuse - Out of Court Statements - Nurses

This bill provides that an out of court statement made by a child victim to a nurse or a principal, vice principal, or school counselor at a public or private preschool, elementary school, or secondary school may be admissible in a proceeding for certain child abuse offenses, if the statement was made to and is offered by the individual lawfully acting in the course of the individual's profession, when the statement was made. Under current law, an out of court statement made by a child victim to a licensed physician, licensed psychologist, licensed social worker, or teacher may be admissible under similar circumstances.
