Fiscal Analysis

State Revenues: General fund revenues could decline by an estimated \$201,215 in fiscal 2000. The current \$3,000 subtraction was claimed by 7,850 volunteer fire, rescue, and emergency medical services personnel in tax year 1996. Assuming growth in the number of individuals eligible for the subtraction of 1% annually, 8,088 would claim the subtraction in tax year 1999. An additional 125 volunteer police are expected to be eligible for the existing credit. Increasing the subtraction by 500 for 8,213 individuals would result in a total increase of subtractions of \$4.1 million, resulting in a revenue loss of \$201,215 in fiscal 2000.

Local Revenues: Local revenues would decline by an estimated \$112,900 in fiscal 2000 through the local income tax.
