Senate Bill 697 (Senator McCabe)

Economic and Environmental Affairs

Plumbers - Definition of Gas

This bill expands the definition of “gas” in the State plumbing law to include any gas used for any purpose, including residential, medical, commercial, or industrial purposes.

Fiscal Summary

State Effect: None. The State Plumbing Board advises that most gas work which is performed for residential, medical, commercial, and industrial purposes is already done by licensed plumbers. As the bill generally codifies current practice, it would not affect State operations or finances.

Local Effect: None.

Small Business Effect: None.
