Local Expenditures: The bill would increase the daily compensation for a chief election judge from \$135 to \$160. Other election judges' daily compensation would increase from \$100 to \$125. Baltimore County employed 2,400 election judges during the general election in 1998. Assuming the same number of judges are needed for each future election year, Baltimore County expenditures would increase by \$60,000 due to the additional compensation.
