FISCAL NOTE

Senate Bill 304 (Senator Blount. *et al.*)

Judicial Proceedings

Housing - Discrimination Based on Source of Income - Prohibited

This bill prohibits discriminatory practices in the rental or purchase of residential housing based on source of income. The bill also prohibits discrimination based on source of income regarding access to multiple listing services and membership in real estate brokers' organizations. However, the bill does not prohibit a person from using the source of income in determining the ability of a potential renter or buyer to pay the rental or purchase price.
