AMENDMENT TO SENATE BILL NO. 145

(First Reading File Bill)

On page 2, in line 20, after the second "1995." insert "If a late fee was not imposed on a payment amount that was past due for goods or services provided before the effective date of this Act, a late fee may not be imposed on or after the effective date of this Act on that payment amount if that payment amount was paid before the effective date of this Act. Further, if a late fee was imposed on a payment amount that was past due for goods or services provided before the effective date of this Act, an additional late fee may not be imposed on or after the effective date of this Act on that payment amount if the amount of the late fee previously imposed on that payment amount is lower than the amount of the late fee allowed under this Act.".
