AMENDMENT TO HOUSE BILL NO. 150  
(Third Reading File Bill - Committee Reprint)

On page 142, under:

Heading: AID TO EDUCATION

Program: RA02.22

Entitled: Compensatory Education and SAFE Funding

In line 2, following "Appropriation" insert ", provided that the Prince George's County Board of Education shall submit to the Management Oversight Panel monthly status reports on the implementation of the recommendations of the performance audit required under Section 5-206(g) of the Education Article and report the source and amount of savings generated by the implementation of the audit recommendations.

Further provided that the State Superintendent of Schools shall withhold 10 percent of each bimonthly disbursement of SAFE funding intended for the Prince George's County Public School System until the Management Oversight Panel provides written certification to the State Superintendent of Schools that the Prince George's County Board of Education has complied with the monthly reporting requirement."

Explanation: The language restricts 10 percent of each bimonthly disbursement of noncompensatory SAFE funding intended for the Prince George's County Public School System until the Management Oversight Panel provides written certification to the State Superintendent of Schools that the local Board of Education has submitted monthly status reports on the implementation of the audit recommendations and any related savings.
