HOUSE BILL 306

1 WHEREAS, The General Assembly finds that in the State marketplace, 2 businesses owned and controlled by African Americans, Hispanics, Asians, American 3 Indians, and women are underutilized, and this disparity taken with other evidence 4 demonstrates that this underutilization is the product of current, continuing 5 discrimination against such persons in the State marketplace; 6 WHEREAS, The General Assembly finds that the Maryland Minority Business 7 Enterprise Program has not eradicated the impact of past discrimination or precluded 8 ongoing discrimination; WHEREAS, The General Assembly finds that race-neutral and gender-neutral 10 measures of assisting minority firms to date have been not been effective; and 11 WHEREAS, The General Assembly concludes that continuation of a narrowly 12 tailored program, which meets the requirements of Croson and later decisions, and 13 continuation of race-neutral and gender-neutral means of assisting minority firms 14 are essential to the ultimate achievement of a marketplace in which minority firms 15 will not be subject to discrimination and will be able to obtain a fair share of private 16 and public contract expenditures without the aid of the Minority Business Enterprise 17 Program; now, therefore, SECTION 1.
