RESOLUTION NO. \_\_\_\_\_

HOUSE JOINT RESOLUTION

1 A House Joint Resolution concerning

2 **Patuxent River Watershed - Amendment of Policy Plan**

3 FOR the purpose of approving a certain amendment to the Patuxent River Policy  
4 Plan; providing for a certain effective date; resolving that a copy of this  
5 resolution be forwarded by the Department of Legislative Services to certain  
6 individuals; and generally relating to the amendment of the Patuxent River  
7 Policy Plan.

8 WHEREAS, § 5-812 of the State Finance and Procurement Article establishes  
9 the Patuxent River Commission (the Commission); and

10 WHEREAS, The Commission, the local governments represented on the  
11 Commission, and the Maryland General Assembly adopted the original Patuxent  
12 River Policy Plan (the Plan) in 1984 in order to serve as a policy guide for the  
13 Commission, State agencies, and local governments in carrying out programs in the  
14 Patuxent River watershed; and

15 WHEREAS, §§ 5-805 and 5-806 of the State Finance and Procurement Article  
16 provide that the Commission and the State Department of Planning shall periodically  
17 review and evaluate pertinent information, trends, and issues regarding the Patuxent  
18 River watershed in light of the Plan and the Commission's activities; and

19 WHEREAS, §§ 5-805 and 5-806 of the State Finance and Procurement Article  
20 also provide procedures for updating the Plan through an amendment process; and

21 WHEREAS, Review and evaluation by the Commission have determined that  
22 development within the Patuxent River watershed has expanded significantly since  
23 1984, and this expanded development has resulted in the loss of forest cover,  
24 agricultural land, open space, and wildlife habitat with a corresponding increase in

1 impervious surface area, thus elevating the level of nutrient and sediment pollution  
2 in the Patuxent River; and

3 WHEREAS, Drawing on the outcome of several relevant Patuxent River studies  
4 and projects, including "The Patuxent Watershed Demonstration Project", the  
5 Commission addressed these issues and the management of the watershed in a draft  
6 addendum to the Plan; and

7 WHEREAS, In November 1997, the Commission adopted an addendum, known  
8 as the 1997 Addendum, as an amendment to the 1984 Plan, and this was done for the  
9 purpose of updating the Plan; and

10 WHEREAS, Effective October 24, 2000, all local governments represented on  
11 the Commission adopted by resolution the 1997 Addendum; and

12 WHEREAS, § 5-805 of the State Finance and Procurement Article provides  
13 that, on approval by resolution of an amendment by at least six of the eight local  
14 jurisdictions represented on the Commission, the amendment shall be presented to  
15 the General Assembly for approval; and

16 WHEREAS, The Patuxent River Policy Plan Amendment has been approved by  
17 these local jurisdictions, and the General Assembly also finds itself in agreement with  
18 the Plan Amendment; and

19 WHEREAS, Upon approval by the General Assembly, this Amendment to the  
20 Plan is to serve as a policy guide for the Commission, State agencies, and local  
21 governments in enhancing restoration and protection of the Patuxent River  
22 watershed; and

23 WHEREAS, Under § 5-805(d)(2) of the State Finance and Procurement Article,  
24 the effective date of an amendment is immediate upon approval by joint resolution of  
25 the General Assembly, unless otherwise provided in the amendment, and there being  
26 no other provision in this amendment, the effective date of this amendment is to be  
27 immediate upon approval by the General Assembly of this Joint Resolution; now,  
28 therefore, be it

29 RESOLVED BY THE GENERAL ASSEMBLY OF MARYLAND, That, effective  
30 immediately upon approval of this Joint Resolution, the General Assembly hereby  
31 approves the 1997 Addendum as an amendment to the Patuxent River Policy Plan;  
32 and be it further

33 RESOLVED, That a copy of this Resolution be forwarded by the Department of  
34 Legislative Services to the Honorable Parris N. Glendening, Governor of Maryland;  
35 the Honorable Thomas V. Mike Miller, Jr., President of the Senate of Maryland; the  
36 Honorable Casper R. Taylor, Jr., Speaker of the House of Delegates; the Honorable  
37 Harriet Tregoning, Secretary of the Department of Planning; and the Honorable Mary  
38 C. Lorusso, Chair of the Patuxent River Commission.
