41 RESOLUTION BECOMES EFFECTIVE UNDER § 19(E) OR (L) OF THIS ARTICLE.

1 13.

16 following the public proclamation the proposed charter amendment or amendments  
17 shall become a part of the charter of the municipal corporation, according to its terms,  
18 in all respects to be effective and observed as such. If less than a majority of those who  
19 vote on any such question shall cast their votes in favor of the proposed charter  
20 amendment or amendments, the mayor or other chief executive officer likewise shall so  
21 proclaim, adding to his proclamation the statement that the proposed charter  
22 amendment or amendments contained in said question are null and void and of no  
23 effect whatsoever.

24 17.

25 (a) In any proposal to amend an existing charter of a municipal corporation,  
26 the new matter, if any, to be added to the charter shall be indicated by being  
27 underscored or in italics or typed or printed completely in capital letters and all  
28 matter to be eliminated from the existing charter, if any, shall be indicated in its  
29 proper place by enclosing such matter in double parentheses or in boldface brackets.  
30 Where the subject matter consists of an entirely new section or sections the words of  
31 such new section or sections shall also be underscored or in italics or typed or printed  
32 completely in capital letters or contain some marginal or other notation to that effect.  
33 When the purpose of any proposal is to repeal in entirety any section or sections of the

35 and enclosed in either double parentheses or boldface brackets.

36 (b) The resolution to amend a charter shall identify the source of the existing

3 which are inconsistent with the amended section or sections.

4 (e) A proposal to amend a charter, whether initiated by the legislative body of  
5 the municipal corporation or by a petition of qualified voters of the municipal  
6 corporation, may not be rescinded after its adoption by the legislative body or after its  
7 formal submission in a petition, in any manner other than that of another charter  
8 amendment.

9 (f) At the time a charter amendment or amendments become effective by  
10 reason of having been ordained or passed by the legislative body of the municipal  
11 corporation, or at the time of making public proclamation as to the vote on any  
12 question containing a proposed charter amendment or amendments which have been  
13 adopted, the mayor or other chief executive officer of the municipal corporation shall  
14 send the information concerning the charter amendment or amendments to the  
15 Department of Legislative Services as provided in § 9A of this article.

16 [(g) The charter amendment or amendments are not effective and shall not be  
17 applied or considered as if effective, unless and until it or they have been registered as  
18 required in subsection (f) of this section.]

19 17A.

20 (e) At the end of each calendar year the Department of Legislative Services  
21 shall address an inquiry to each municipal corporation inquiring whether or not  
22 during that calendar year or its latest fiscal year it has enacted, amended or repealed  
23 any portion of its municipal charter. The municipal corporation shall promptly answer  
24 the inquiry and shall verify, BY A SIGNED AND NOTARIZED STATEMENT, that copies of  
25 all such enactments, amendments, or repeals have already been sent to the  
26 Department.

27 19.

28 (e) Following the public hearing, the legislative body may proceed to enact the  
29 resolution, in accordance with the usual requirements and practices applicable to its  
30 legislative enactments. The resolution shall not become effective until at least forty-five  
31 (45) days following its final enactment.

32 (l) If only one petition for a referendum is filed and if a majority of the persons  
33 voting on the question in that referendum shall vote in favor of the proposal for change,  
34 the change shall become effective as proposed on the fourteenth day following the  
35 referendum. If two petitions for referendum are filed, the votes cast for the two  
36 referenda shall be tabulated separately, so as to show individually the tabulation of  
37 votes cast in the municipal corporation and in the area to be annexed. If in both  
38 tabulations, each being reckoned separately, a majority of the persons voting on the  
39 question shall vote in favor of the proposal for change, the change shall become  
40 effective as proposed on the fourteenth day following the referendum. In the event there  
41 are two referenda, unless there is such a favorable majority in both tabulations,

1 reckoned separately, the proposal for change shall be void and of no further effect  
2 whatsoever.

3 (p) The chief executive and administrative officer of a municipal corporation  
4 which has enlarged its corporate boundaries under the provisions of this section shall  
5 promptly [register] SEND THE ~~INFORMATION ABOUT~~ ANNEXATION RESOLUTION

7 the clerk of the court in the county or counties in which the municipal corporation is  
8 located, [with] TO the Department of Legislative Services as provided in § 9A of this  
9 article, and for those municipalities lying within the regional district, [with] TO the  
10 Maryland-National Capital Park and Planning Commission. Each such official shall  
11 hold the [registration of] ~~INFORMATION ABOUT~~ ANNEXATION RESOLUTION WITH  
12 THE NEW boundaries on record and shall make it available for public inspection  
13 during all normal business hours.

14 19A.

15 (j) Within 60 days after the unified charter is adopted by the legislative  
16 bodies of the unifying municipal corporations or by a referendum election, the  
17 legislative bodies of the unifying municipal corporations shall jointly send the  
18 information concerning the charter adopted by the unified municipal corporation to  
19 the Department of Legislative Services, as provided in ~~§ 9A~~ § 9A(B) of this article.

20 28.

21 (a) At the time of making public proclamation as to the vote on the question of  
22 incorporation under the proposed charter, the county governing body shall send the  
23 information concerning the charter adopted by the municipal corporation to the  
24 Department of Legislative Services, as provided in ~~§ 9A~~ § 9A(B) of this article for  
25 municipal officials.

26 (b) A proposal to incorporate a municipal corporation and to adopt a charter  
27 may not be rescinded after its formal submission, in any manner other than that of a  
28 formal charter repeal as provided in the subheading "Repeal of Charter" in this  
29 subtitle.

30 [(c) The charter is not effective and shall not be applied or considered as if  
31 effective unless and until it has been registered as required in this section.]

32 [(d)] (C) The charter is included in the requirements of § 17A of this subtitle,  
33 including its printing and indexing in the laws enacted by the General Assembly.

34 [(e)] (D) The exact text of the charter of the municipal corporation, adopted  
35 under the provisions of this subtitle and as amended from time to time, shall  
36 thereafter be included in any edition or codification of the charter of the municipal  
37 corporation.

1 41.

2 An entire repeal of the charter of a municipal corporation, and the termination  
 3 of the existence of the municipal corporation, may be accomplished as generally  
 4 provided above in the subheading "Charter Amendments". The resolution of the  
 5 legislative body of the municipal corporation or the petition of 20 percent or more of  
 6 the qualified voters need not contain the text of the charter which it is proposed to  
 7 repeal, but may simply state the fact of the proposed repeal. The posting and  
 8 publication of the proposed repeal also may simply state that fact, as may the  
 9 [registration of] ~~SUBMISSION OF INFORMATION ABOUT~~ THE CHARTER AMENDMENT  
 10 RESOLUTION REFLECTING a favorable vote ~~thereon~~ with the Department of  
 11 Legislative Services, as provided in ~~§ 9A~~ § 9A(B) of this article. From and after the
