This bill authorizes the Executive Director of the Baltimore City Parking Authority to issue a residential parking permit to a person who owns and occupies residential property in a residential parking permit area in Baltimore City regardless of whether the person has registered the vehicle in the State or has obtained a nonresident permit or a complimentary guest card.

The bill is effective July 1, 2001.

Fiscal Summary

State Effect: None.

Local Effect: Issuing parking permits to persons who own and occupy residential property in a residential parking permit area could be handled with existing resources.
