Analysis

As of 2000, the Federal Election Commission reports that there are 25 states with public financing provisions for state legislative candidates.

Additional Information

Prior Introductions: During the 2001 session, a similar bill (HB 1248) would have created a 19-member study commission. It passed the House but was not reported from the Senate Economic and Environmental Affairs Committee. Two other similar bills, (SB 707 and HB 809) were introduced during the 2001 and 1999 sessions, respectively. SB 707 was unfavorably reported from the Senate Economic and Environmental Affairs Committee and HB 809 from the House Commerce and Government Matters Committee.
