Analysis

**Current Law:** Chapter 651 of 2001 authorized up to \$100,000 in matching funds for the planning, design, and construction of, and for the provision of capital equipment for, four cabins, for the planning, design, and construction of an access road and a parking lot, for renovations to make the main hall accessible to the handicapped, for site lighting and security devices, and for the stabilization of specific environmental areas, at the Southern Maryland Youth Camp, located in Cheltenham, Maryland.

**Background:** The four cabins were completed with the grant from Chapter 555 of 1997, and work on the access road and parking lot has already begun. The grantee now needs the addition to the facility's main building.
