AMENDMENT NO. 5

(Over)

On page 5, in line 23, after “ENACTED,” insert “That the borrowing authorized by this Act to finance the payment of any unfunded liability of the County to the State Retirement and Pension System of Maryland may be issued for the public purposes of (i) realizing savings with respect to the aggregate cost of the County payment liability being funded, on either a direct comparison or present value basis; or (ii) structuring or restructuring payment liability costs in a manner that (a) in the aggregate effects a reduction in the total cost of the County payment liability as described, or (b) is determined by the County to be in the best interests of the County, to be consistent with the County’s long-term financial plan, and to realize a financial objective of the County, including improving the relationship of liability payment costs to a source of payments such as taxes, assessments or other charges. Any findings made by the County in the resolution regarding the public purposes achieved by the issuance of bonds for such purposes shall be conclusive.

SECTION 12. AND BE IT FURTHER ENACTED,”.
