31 BY repealing and reenacting, without amendments,  
32 Article - Business Regulation  
33 Section 11-529, 11-530, 11-531, and 11-535  
34 Annotated Code of Maryland  
35 (2004 Replacement Volume)

36 Preamble

37 WHEREAS, After an in-depth study of expanded gaming in Maryland, a  
38 number of realities have surfaced. Maryland is losing a net income of millions of  
39 dollars in gaming revenue to neighboring states because Marylanders are traveling  
40 across State lines to use neighboring gaming facilities. Those revenues are supporting  
41 businesses of other states and filling the coffers of other states; and

1 WHEREAS, While research studies cannot give the State perfect data, some  
2 believe that expanded gaming would significantly reduce revenues from existing  
3 gaming and would diminish disposable income of Marylanders and tourists that  
4 would have been spent on taxable goods; and

5 WHEREAS, There is a moral issue relating to the expansion of gaming and the  
6 social costs associated with it. The General Assembly currently applies cost/benefit  
7 analyses to its policy decisions. Expanded gaming is one option among many to  
8 increase badly needed revenues for the State. The General Assembly finds that the  
9 benefits of expanded gaming are greater than the costs; and

10 WHEREAS, The goal of the General Assembly in searching for a viable gaming  
11 policy is fourfold: to tap new sources of revenues from outside the State, to recapture  
12 lost revenues, to maximize State profits, and to aid small business and community  
13 development; now, therefore,

14 SECTION 1. BE IT ENACTED BY THE GENERAL ASSEMBLY OF  
15 MARYLAND, That the Laws of Maryland read as follows:
