9. Description and Purpose of Grantee Organization

CASA of Maryland, Inc. is a 501(c)(3) nonprofit organization with 20 years of empowering and serving the low-income community. CASA's mission is to improve the quality of life, social and economic well being of the Latino community. CASA facilitates the self-development, organization, and mobilization of the Latino community to gain full participation in the larger society. CASA achieves its mission through programs in employment placement, legal and social services, education, health promotion and access, community organizing, and leadership development.

10. Description and Purpose of Project

CASA of Maryland, Inc. respectfully requests \$300,000 to be used as a grant for the construction, repair, and renovation of the McCormick-Goodhart Mansion. This property, located in Langley Park, Maryland, will be renovated to create a Multi-Cultural Service Center to serve the needs of the growing Latino and immigrant community in that area. The project will be led by CASA who will supervise all real estate transactions, contracting, legal issues, and capacity building issues. The final product will be a multi-cultural service center in the heart of the International Corridor of Prince George's County, to serve the needs of the growing and diverse community there.

Round all amounts to the nearest \$1,000. The totals in Items 11 (Estimated Capital Costs) and 12 (Proposed Funding Sources) must match. The proposed funding sources must not include the value of real property unless an equivalent value is shown under Estimated Capital Costs.
