House Bill 1260 (Delegate Quinter)  
Economic Matters

---

**Telephone Directories - Inclusion of Cellular Subscribers**

---

This bill prohibits a person from including in a telephone directory a listing of a cellular number of a cellular subscriber without express consent. A person may obtain consent in writing or orally under specified circumstances. A person who obtains consent of a subscriber that is subsequently revoked may not be held liable under the bill for including the number in a directory that is finalized for publication before receiving the revocation.

Violation of the bill is an unfair or deceptive trade practice under the Maryland Consumer Protection Act.

---

**Fiscal Summary**

**State Effect:** Assuming that the Consumer Protection Division receives fewer than 50 complaints per year stemming from this bill, any additional workload could be handled with existing resources.

**Local Effect:** None.

**Small Business Effect:** Minimal.

---

**Analysis**

**Current Law:** Listings in a telephone directory are not regulated by the State.

The Consumer Protection Division within the Office of the Attorney General is responsible for pursuing unfair and deceptive trade practice claims under the Maryland

Consumer Protection Act. Upon receiving a complaint, the division must determine whether there are “reasonable grounds” to believe that a violation of the Act has occurred. Generally, if the division does find reasonable grounds that a violation has occurred, the division must seek to conciliate the complaint. The division may also issue cease and desist orders, or seek action in court, including an injunction or civil damages, to enforce the Act. Violators of the Act are subject to: (1) civil penalties of \$1,000 for the first violation and \$5,000 for subsequent violations; and (2) criminal sanction as a misdemeanor, with a fine of up to \$1,000 and/or up to one year’s imprisonment.
