State Lottery Proceeds - Problem Gambling Council of Maryland

This bill requires \$100,000 of State Lottery net revenues to be distributed annually to the Problem Gambling Council of Maryland. The bill requires that grant money provided is to be used to pay operating expenses for problem gambling reduction programs provided to Maryland residents. The Problem Gambling Council of Maryland is required to report on the use of the grant money annually to the Senate Finance Committee and the House Ways and Means Committee.

The bill terminates September 30, 2007.

Fiscal Summary

State Effect: General fund revenues would decrease by \$100,000 annually in FY 2006 through 2008 due to a reduction in available lottery revenues. Special fund revenues and expenditures would increase by \$100,000 annually in FY 2006 through 2008 due to distributions mandated by the bill.

Analysis

Current Law: Net revenues from sport lotteries conducted for the benefit of the Maryland Stadium Authority are distributed into the Maryland Stadium Facilities Fund and the net revenues from other State lotteries are distributed to the general fund.

Background: Net revenues from State lotteries are projected to total approximately \$482.1 million in fiscal 2006. Of this amount, \$21.0 million is distributed to the Maryland Stadium Facilities Fund and \$461.1 million is distributed to the general fund.

State Fiscal Effect: General fund revenues would decrease by \$100,000 annually in fiscal 2006 through 2008 due to a reduction in available lottery revenues. Special fund revenues and expenditures would increase by \$100,000 annually in fiscal 2006 through 2008 as a result of the grants provided to the Problem Gambling Council of Maryland. The bill is effective October 1, 2005 and terminates September 30, 2007, which represents three fiscal years. The administrative costs at the Lottery Agency and Comptroller's Office associated with the provisions of the bill could be handled within existing budgeted resources.
