9. Description and Purpose of Grantee Organization		
<p>The 100 Black Men of America, Inc. is a confederation of all existing "100 Black Men" Chapters formed to assemble a force of outstanding men whose collective training, skills, and experience could achieve meaningful gains for the African American community.</p> <p>In keeping with this national purpose, the mission of the 100 Black Men of Maryland, Inc. is to substantially improve the chance of success of African American youth, specifically males and to help them achieve responsible, self-sufficient and law abiding manhood by their participation in programs design to build self-esteem, develop appropriate moral values, motivate and promote cultural relativity and, to the extent possible, assist them in the pursuit of higher education and continue learning.</p> <p>To achieve our mission, we focus on the areas our National organization has deemed critical to insuring the future of the youth and the community at large. Titled Four For The Future, we strive to operate local programs that address the following areas:</p> <ul style="list-style-type: none"> • Mentoring • Education • Health & Wellness • Economic Development 		

10. Description and Purpose of Project			
<p>OBMM is seeking capital funding to redevelop a 2,680 square feet building located in Baltimore City to provide suitable space to accommodate OBMM's numerous programs. The space within the building will be redesigned and renovated to provide office, conference, classroom, computer lab and recreation space in support of OBMM programs.</p> <p>Upon completion of the new building, OBMM will have the much needed space conducive to support of all its programs and its administrative needs. OBMM will be able to strengthen its ability to reach more elementary and middle school children who are in dire need of after school tutorial assistance. Classroom space will be available to accommodate instruction and lab space will be available to accommodate hands-on computer labs. Children will have increased opportunities to improve their school performance, while developing their social and emotional skills. The programming space in the new building, will allow the OBMM be better able to serve a large cross-section of at-risk school students and help them to realize their academic potential, improve their intellectual, social and emotional skills in an environment conducive to learning.</p>

In an effort to move the renovation of the property forward, the OBMM requested and received a line of credit of \$75,000 from Harbor Bank. To date, approximately \$60,000 has been spent or obligated to maintain the integrity of the building. We would like to use some of the funds received from the State and/or City of Baltimore to retire this debt as these expenditures are part of the funding request.
