Fiscal Summary

**State Effect:** None.

**Local Effect:** This bill would not materially impact Prince George's County finances.

**Small Business Effect:** None.

Analysis

**Current Law:** There are 3 full-time and 29 part-time alcoholic beverages inspectors in Prince George's County, all of whom must be county residents. The minimum annual salary for a part-time alcoholic beverages inspector in Prince George's County is \$9,976.

**Background:** The minimum salary for part-time alcoholic beverages inspectors in Prince George's County was last adjusted by Chapter 446 of 2000, when it was increased from \$9,270 to \$9,976.

**Local Fiscal Effect:** To the extent that part-time alcoholic beverages inspectors earn less than \$10,920 per year, Prince George's County expenditures could increase by as much as \$944 for each inspector. Prince George's County advises, however, that no part-time alcoholic beverages inspector earns less than \$11 per hour. Assuming that each inspector

works a minimum of 20 hours per week, the annual salary for each inspector would be approximately \$11,440. Furthermore, the county advises that these inspectors do not receive any fringe benefits. Therefore, based on these assumptions, the bill should not impact Prince George's County finances.
