Analysis

Current Law: The Garrett County Board of License Commissioners is authorized to issue one wine festival license annually. The board must approve one or two days, excluding Sunday, annually for the wine festival, provided that the days selected do not occur on the same weekend as the Maryland Wine Festival.

In a November 1996 referendum, voters in the 11th and 15th election districts in Garrett County approved Sunday sales of alcoholic beverages. Holders of a Class C service club license may sell alcoholic beverages on Sunday from 1 p.m. to 10 p.m. Holders of Class

B licenses, special two-day Class C licenses, special six-day Class C licenses, and special 12-day Class C licenses may sell alcoholic beverages on Sunday from 1 p.m. to 10 p.m., provided that the alcoholic beverage is served with a meal.

Background: A number of beer and wine festivals are held annually throughout the State. They are seen as advertising and publicity events for businesses participating in the festival. Beer and wine festival licenses may be issued in Allegany, Anne Arundel, Charles, Dorchester, Queen Anne's, and Worcester counties. In addition to beer and wine festivals, special wine festival licenses may be issued in Baltimore, Calvert, Carroll, Garrett, Harford, Howard, St. Mary's, Somerset, Washington, and Wicomico counties, as well as Baltimore City. A special beer festival license may be obtained in Baltimore City and Baltimore, Frederick, and Wicomico counties.

Small Business Effect: Potential minimal increase in revenues for businesses participating in a wine festival in the 11th or 15th election districts, who would be allowed to sell wine on Sunday as early as 10 a.m. and not in conjunction with a meal.
