FISCAL AND POLICY NOTE

Senate Bill 447 Budget and Taxation (Senators Hogan and Kramer)

Creation of a State Debt - Montgomery County - Montgomery Village Amphitheater

The bills listed below authorize the issuance of general obligation bonds to provide grants to various recipients for the acquisition, planning, design, construction, expansion, repair, restoration, renovation, reconstruction, or capital equipping of various facilities.

Most bills require either a hard or soft match as noted. Where no match is required the term "grant" is indicated. A hard match means the recipient provides a dollar-for-dollar match of the State funds and does not expend the matching funds until after the effective date of the authorizing act. A soft match is any other type of match. Soft matches include the use of the value of the real property as the match, in kind contributions such as materials or construction services, or funds expended prior to the effective date of the bill. A match key is provided immediately below the list of projects.

The list is organized into three categories: Maryland Hospital Association (MHA) projects, statewide bond bills, and local bond bills. Within the local bond bill category the projects are sorted first by the county in which the project is located and then alphabetically by project title. Most projects have both a House and a Senate bill.

As introduced by the Governor, the Maryland Consolidated Capital Bond Loan (MCCBL) of 2005, referred to as the capital budget, did not provide allocations for MHA or legislative initiative projects. However, because the General Assembly can both reduce and add to the capital budget, the budget committees intend to consider bond bill requests during the 2005 session.

Fiscal Summary

State Effect: These grants would be part of the total general obligation debt authorization for FY 2006. The Spending Affordability Committee recommended a general obligation debt authorization of \$670 million for FY 2006, of which \$5 million is authorized under separate legislation (Chapter 103 of 2002) for the Tobacco Transition Program. The Governor's budget as introduced assumes general obligation debt authorizations totaling \$670 million. State debt service costs on \$670 million would be a maximum of \$71.3 million annually based on an interest rate of 5%. The State last sold bonds in March 2004, and those bonds bear the single coupon rate of 5% over 15 years.

Local Effect: None, unless the recipient is a local government.

Small Business Effect: Minimal.
