Analysis

Current Law: Chapter 204 of 2003 authorized \$742,470,000 for capital projects throughout the State under the Maryland Consolidated Capital Bond Loan of 2003. Of that, Chapter 204 authorized up to \$3.5 million in matching funds to the grantee to assist in the construction of redevelopment projects at the Baltimore Zoo. The grantee may provide the matching fund and the Board of Public Works may certify it in installments of at least \$1 million. The entire matching fund must be certified by June 1, 2006.

Background: To date, the grantee has not submitted documentation to have any installment of its required match certified. The grantee has collected approximately \$2.9 million in donations toward the required match, of which \$1.4 million was collected in 2004 and \$1.5 million was collected in 2005. The grantee is currently preparing paperwork to have one installment of its matching funds certified.
