13 Section 19-134(e)
14 Annotated Code of Maryland
15 (2005 Replacement Volume and 2005 Supplement)

16 SECTION 1. BE IT ENACTED BY THE GENERAL ASSEMBLY OF
17 MARYLAND, That the Laws of Maryland read as follows:

18 **Article - Health - General**

19 19-134.

20 (e) (1) The Commission may:

21 (i) On or before July 1, 2001, develop and implement a system to
22 comparatively evaluate the quality of care outcomes and performance measurements
23 of hospitals and ambulatory surgical facilities on an objective basis; and

24 (ii) Annually publish the summary findings of the evaluation.

1 (2) (i) The purpose of a comparable performance measurement system
2 established under this subsection is to improve the quality of care provided by
3 hospitals and ambulatory surgical facilities by establishing a common set of
4 performance measurements and disseminating the findings of the performance
5 measurements to hospitals, ambulatory surgical facilities, consumers, and interested
6 parties.

7 (ii) In developing the performance measurement system, the
8 Commission shall consider the geographic location, urban or rural orientation, and
9 teaching or nonteaching status of the hospital and the ambulatory surgical facilities,
10 and the health status of the population served.

11 (3) The system, where appropriate, shall solicit performance information
12 from consumers.

13 (4) (i) The Commission may adopt regulations to establish the system
14 of evaluation provided under this subsection.

15 (ii) Before adopting regulations to implement an evaluation system
16 under this subsection, the Commission shall:

17 1. Consider the performance measurements of appropriate
18 accreditation organizations, State licensure regulations, Medicare certification
19 regulations, the quality indicator project of the Association of Maryland Hospitals and
20 Health Systems, and any other relevant performance measurements;

21 2. Evaluate the desirability and feasibility of developing a
22 consumer clearinghouse on health care information using existing available data; and

23 3. On or before January 1, 2001, report to the General
24 Assembly, subject to § 2-1246 of the State Government Article, on any performance
25 evaluation developed under this subsection.

26 (5) The Commission may contract with a private entity to implement the
27 system required under this subsection provided that the entity is not a hospital or an
28 ambulatory surgical facility.

29 (6) (I) THE COMPARABLE EVALUATION SYSTEM ESTABLISHED UNDER
30 THIS SUBSECTION SHALL INCLUDE HEALTH CARE-ASSOCIATED INFECTION
31 INFORMATION FROM HOSPITALS.

32 (II) THE COMPARABLE EVALUATION SYSTEM SHALL ADHERE, TO
33 THE EXTENT POSSIBLE, TO THE CURRENT RECOMMENDATIONS OF THE FEDERAL
34 CENTERS FOR DISEASE CONTROL AND PREVENTION (CDC) AND THE CDC
35 HEALTHCARE INFECTION CONTROL PRACTICES ADVISORY COMMITTEE REGARDING
36 PUBLIC REPORTING OF HEALTH CARE-ASSOCIATED INFECTIONS.

37 SECTION 2. AND BE IT FURTHER ENACTED, That this Act shall take effect
38 July 1, 2006.
