9 Preamble

10 WHEREAS, There is a silent health crisis affecting the health and well-being of
11 Maryland men; and

12 WHEREAS, This health crisis is of particular concern to men, but is also a
13 concern for women, as the crisis affects fathers, husbands, sons, and brothers; and

14 WHEREAS, Men's health is likewise a concern for employers, who lose
15 productive employees as well as pay the costs of medical care, and for State
16 government and society, which absorb the enormous costs of premature death and
17 disability, including the costs of caring for dependents left without income; and

18 WHEREAS, The life expectancy for a child born in Maryland in 2001 was 73.9
19 years for males versus 79.1 years for females; and

20 WHEREAS, The 2001 Maryland death rate of 819.9 per 100,000 population for
21 men exceeded the death rate of 802.4 per 100,000 population for women; and

22 WHEREAS, In Maryland, only 22% of the deaths to women in 2001 occurred
23 before age 65, men younger than 65 accounted for 36% of all deaths to men in that
24 year; and

25 WHEREAS, Men comprised 60% of new HIV cases in 2001 in Maryland and 67%
26 of new AIDS cases in the same year; and

27 WHEREAS, Men are reported to be 25% less likely than women to visit a doctor;
28 and

29 WHEREAS, Employment-based health insurance, which has traditionally
30 financed much of the health care received by men, is on the decline, and recent
31 Medicaid and other publicly-financed health care expansions have focused primarily
32 on children and women; and

33 WHEREAS, Educating men, their families, and health care providers about the
34 importance of early detection of men's health problems can result in reducing rates of
35 mortality for male-specific diseases, as well as improve the health of Maryland men
36 and the State's overall economic well-being; and

1 WHEREAS, Regular exercise, good nutrition, healthy behaviors, regular
 2 medical checkups, preventive health screenings, and diagnostic tests that detect
 3 disease early have been proven to save lives; and

4 WHEREAS, A Commission for ~~Men~~ Men's Health is needed to promote men's
 5 health in Maryland; now, therefore,
