10 Commission dated January 11, 2006 that address proposed changes to
11 in-district travel and the Legislative Pension Plan for members of the General
12 Assembly; providing that the allowance for in-district travel and the provisions

8 WHEREAS, At the meetings, conducted from November through December
9 2005, the Commission evaluated gubernatorial compensation relative to a number of
10 principles: growth in the responsibilities of the office, compensation commensurate
11 with the stature of this high office, changes in the cost of living, maintenance of a
12 reasonable differential between the Governor's salary and of other major State
13 officials in Maryland, and acceptable comparability with salaries of the governors of
14 other states. The Commission selected tentative salaries for the two offices and
15 solicited public views regarding its proposals. Thereafter, the Commission made its
