9. Description and Purpose of Grantee Organization (3000 characters maximum)				
Colmar Manor in Prince George's County is a municipality incorporated in 1927 and a partner in the Port Towns Community. It is a local government with approximately 425 homes with 1,249 citizens residing within the Town. The Town's goals/mission are to promote a safe, clean community with activities for all age groups, promote the Town's historic heritage and ensure that the Town's services are provided in a quality, complete and professional manner. Standard services include trash and recycling pick-ups, street cleaning, snow plowing, police, recreation and senior activities including transportation.				
10. Description and Purpose of Project (3000 characters maximum)				
The Colmar Manor Community Center will be a vibrant, mixed-use complex that combines recreational uses, the presence of community organizations, and municipal services in one building. The facility will include a gymnasium, indoor track, rental hall, community meeting rooms, space for outreach programs, and a computer center. These programs will generate volunteer and paid jobs. It would serve as a catalyst for further renovation of commercial and residential properties in the Port Towns and will boost the credence of public and private investments already made in current improvement projects. The new facility will encompass 21,890 sq.ft. Estimated patrons to be served are 20,000. Estimated jobs to be created consist of two full time permanent and six part-time/temporary positions. The facility will be used by the more than 10,000 residents who reside within the Port Towns communities of Colmar Manor, Bladensburg, Cottage City and Edmonston. Over 60% of these residents fall within the low to moderate income level.				
<i>Round all amounts to the nearest \$1,000. The totals in Items 11 (Estimated Capital Costs) and 12 (Proposed Funding Sources) must match. The proposed funding sources must not include the value of real property unless an equivalent value is shown under Estimated Capital Costs.</i>
