- 9. eighteen with Educational and Recreational programs for a \$5 a year membership fee. The membership fee is kept low to assist in giving members a sense of belonging, and largely to assist in serving disadvantaged youth. Boys & Girls Club has over 30 programs from homework assistance, alcohol, drug and tobacco resistance programs, career development skills, the arts, health and life skills, and recreation programs etc.
- 10. growth. The organization is currently serving over 2000 youth at 4 locations in the County. Our facilities are at their capacity and the needed expansion space would allow us to serve more disadvantaged youth in the community, and house the administrative offices of the organization.
