17 SECTION 1. BE IT ENACTED BY THE GENERAL ASSEMBLY OF  
18 MARYLAND, That the Laws of Maryland read as follows:

19 **Article – Natural Resources**

20 ~~4-11A-05.~~

21 ~~(a) (1) (I) The Department may lease, in the name of the State, tracts~~  
22 ~~or parcels of land beneath the waters of the State to residents of the State for~~  
23 ~~protecting, sowing, bedding, or cultivating oysters or other shellfish, subject to the~~  
24 ~~provisions of this [section] SUBTITLE.~~

25 ~~(II) THE DEPARTMENT MAY LEASE, IN THE NAME OF THE~~  
26 ~~STATE, TRACTS OR PARCELS OF LAND BENEATH THE WATERS OF THE~~  
27 ~~CHESAPEAKE BAY AND ITS TRIBUTARIES TO RESIDENTS OF THE STATE FOR~~  
28 ~~OYSTER RESTORATION, SUBJECT TO THE PROVISIONS OF THIS SUBTITLE.~~

29 ~~(III) These submerged lands when leased shall be known as~~  
30 ~~leased oyster bottoms.~~

31 ~~(b) (1) The Department may not lease any of the submerged areas of the~~  
32 ~~State within the jurisdictional boundaries of Dorchester, Kent, Queen Anne’s,~~  
33 ~~Somerset and Talbot counties for oyster RESTORATION OR cultivation. The~~

~~Department also may not lease any of the submerged areas of the State in the  
 tidewater tributaries of Charles County, except the Patuxent River, for oyster  
**RESTORATION OR** cultivation. This subsection does not affect any existing lease in  
 Somerset County made prior to and effective on June 1, 1952; any lease in Dorchester  
 County made prior to and effective on June 1, 1957; in Charles County made prior to  
 and effective on July 1, 1968 and in Kent, Queen Anne's and Talbot counties made  
 prior to July 1, 1973. This subsection also does not prevent any lessee from renewing,  
 assigning, devising by will or prohibit the descendants of any lessee, his heirs, or next  
 of kin, from inheriting rights by the operation of the laws of descent and distribution.  
 If an existing lease does not provide for renewal, the Department may grant renewal  
 when the lease terminates unless good cause to the contrary is shown. However, a  
 person may not lease more acreage than now authorized by law regardless of the  
 manner in which the lease or the rights under the lease are obtained.~~

~~(2) **THE DEPARTMENT MAY LEASE A SUBMERGED AREA OF THE  
 STATE FOR OYSTER RESTORATION ONLY;**~~

~~(f) (1) If a person applies to the Department for a lease of submerged land  
 for oyster **RESTORATION OR** cultivation, the Department shall determine if the  
 submerged land is a productive natural clam bar.~~

~~(a) Except as provided in subsection (c)(2) of this section the term of leases  
 for submerged lands shall be 20 years at an annual rent the Department deems proper  
 and commensurate with the value of the leased land.~~

~~(b) If the Department ascertains that any leased area is affected by  
 environmental factors which destroy or seriously impede the culture and growth of  
 oysters and threaten the potential of the area for continued oyster production, it may  
 reduce or abate the annual rent by an amount and for a period the Department deems  
 equitable and reasonable in view of the degree of damage.~~

11 ~~and may be leased again. The Department may cancel any lease, either in whole or in~~
