1 SECTION 1. BE IT ENACTED BY THE GENERAL ASSEMBLY OF
2 MARYLAND, That, as used herein, the term "County" means the body politic and
3 corporate of the State of Maryland known as the County Commissioners of Calvert
4 County, and the term "construction, improvement, or development of public facilities"
5 means the acquisition, alteration, construction, reconstruction, enlargement,
6 equipping, expansion, extension, improvement, rehabilitation, renovation, upgrading,
7 and repair of public buildings and facilities, and issuance costs together with the costs
8 of acquiring land or interests in land as well as any related architectural, financial,
9 legal, planning, or engineering services.

10 SECTION 2. AND BE IT FURTHER ENACTED, That the County is hereby
11 authorized to finance any part or all of the costs of the public facilities described in
12 Section 1 of this Act, and to borrow money and incur indebtedness for that purpose, at
13 one time or from time to time, in an amount not exceeding, in the aggregate,
14 \$53,110,000 and to evidence such borrowing by the issuance and sale upon its full
15 faith and credit of general obligation bonds in like par amount, which may be issued at
16 one time or from time to time, in one or more groups or series, as the County may
17 determine.

18 SECTION 3. AND BE IT FURTHER ENACTED, That the bonds shall be issued
19 in accordance with a resolution of the County, which shall describe generally the
20 construction, improvement, or development of public facilities for which the proceeds
21 of the bond sale are intended and the amount needed for those purposes. The County
22 shall have and is hereby granted full and complete authority and discretion in the
23 resolution to fix and determine with respect to the bonds of any issue: the designation,
24 date of issue, denomination or denominations, form or forms, and tenor of the bonds
25 which, without limitation, may be issued in registered form within the meaning of
26 Section 30 of Article 31 of the Annotated Code of Maryland, as amended; the rate or
27 rates of interest payable thereon, or the method of determining the same, which may
28 include a variable rate; the date or dates and amount or amounts of maturity, which
29 need not be in equal par amounts or in consecutive annual installments, provided only
30 that no bond of any issue shall mature later than 30 years from the date of its issue;
31 the manner of selling the bonds, which may be at either public or private sale, for such
32 price or prices as may be determined to be for the best interests of Calvert County; the
33 manner of executing and sealing the bonds, which may be by facsimile; the terms and
34 conditions, if any, under which bonds may be tendered for payment or purchase prior
35 to their stated maturity; the terms or conditions, if any, under which bonds may or
36 shall be redeemed prior to their stated maturity; the place or places of payment of the
37 principal of and the interest on the bonds, which may be at any bank or trust company
38 within or without the State of Maryland; covenants relating to compliance with
39 applicable requirements of federal income tax law, including (without limitation)
40 covenants regarding the payment of rebate or penalties in lieu of rebate; covenants

1 relating to compliance with applicable requirements of federal or state securities laws;
2 and generally all matters incident to the terms, conditions, issuance, sale, and delivery
3 thereof.

4 The bonds may be made redeemable before maturity, at the option of the
5 County, at such price or prices and under such terms and conditions as may be fixed
6 by the County prior to the issuance of the bonds, either in the resolution or in a bond
7 order pursuant to the bond resolution. The bonds may be issued in registered form and
8 provision may be made for the registration of the principal only. In case any officer
9 whose signature appears on any bond ceases to be such officer before the delivery
10 thereof, such signature shall nevertheless be valid and sufficient for all purposes as if
11 he had remained in office until such delivery. The bonds and the issuance and sale
12 thereof shall be exempt from the provisions of Sections 9, 10, and 11 of Article 31 of
13 the Annotated Code of Maryland, as amended.

14 The County may enter into agreements with agents, banks, fiduciaries,
15 insurers, or others for the purpose of enhancing the marketability of any security for
16 the bonds and for the purpose of securing any tender option that may be granted to
17 holders of the bonds, all as may be determined and presented in the aforesaid
18 resolution, which may (but need not) state as security for the performance by the
19 County of any monetary obligations under such agreements the same security given by
20 the County to bondholders for the performance by the County of its monetary
21 obligations under the bonds.

22 If the County determines in the resolution to offer any of the bonds by
23 solicitation of competitive bids at public sale, the resolution shall fix the terms and
24 conditions of the public sale and shall adopt a form of notice of sale, which shall
25 outline the terms and conditions, and a form of advertisement, which shall be
26 published in one or more daily or weekly newspapers having a general circulation in
27 the County and which may also be published in one or more journals having a
28 circulation primarily among banks and investment bankers. At least one publication of
29 the advertisement shall be made not less than 10 days before the sale of the bonds.

30 Upon delivery of any bonds to the purchaser or purchasers, payment therefor
31 shall be made to the Treasurer of Calvert County or such other official of Calvert
32 County as may be designated to receive such payment in a resolution passed by the
33 County before such delivery.

34 SECTION 4. AND BE IT FURTHER ENACTED, That the net proceeds of the
35 sale of bonds shall be used and applied exclusively and solely for the acquisition,
36 construction, improvement, or development of public facilities for which the bonds are
37 sold. If the amounts borrowed shall prove inadequate to finance the projects described
38 in the resolution, the County may issue additional bonds with the limitations hereof

1 for the purpose of evidencing the borrowing of additional funds for such financing,
2 provided the resolution authorizing the sale of additional bonds shall so recite, but if
3 the net proceeds of the sale of any issue of bonds exceed the amount needed to finance
4 the projects described in the resolution, the excess funds so borrowed and not
5 expended shall be applied to the payment of the next principal maturity of the bonds
6 or to the redemption of any part of the bonds which have been made redeemable or to
7 the purchase and cancellation of bonds, unless the County shall adopt a resolution
8 allocating the excess funds to the acquisition, construction, improvement, or
9 development of other public facilities, as defined and within the limits set forth in this
10 Act.

11 SECTION 5. AND BE IT FURTHER ENACTED, That the bonds hereby
12 authorized shall constitute, and they shall so recite, an irrevocable pledge of the full
13 faith and credit and unlimited taxing power of the County to the payment of the
14 maturing principal of and interest on the bonds as and when they become payable. In
15 each and every fiscal year that any of the bonds are outstanding, the County shall levy
16 or cause to be levied ad valorem taxes upon all the assessable property within the
17 corporate limits of the County in rate and amount sufficient to provide for or assure
18 the payment, when due, of the principal of and interest on all the bonds maturing in
19 each such fiscal year and, in the event the proceeds from the taxes so levied in any
20 such fiscal year shall prove inadequate for such payment, additional taxes shall be
21 levied in the succeeding fiscal year to make up any such deficiency. The County may
22 apply to the payment of the principal of and interest on any bonds issued hereunder
23 any funds received by it from the State of Maryland, the United States of America, any
24 agency or instrumentality thereof, or from any other source, if such funds are granted
25 for the purpose of assisting the County in financing the acquisition, construction,
26 improvement, or development of the public facilities defined in this Act and, to the
27 extent of any such funds received or receivable in any fiscal year, the taxes that are
28 required to be levied may be reduced accordingly.

29 SECTION 6. AND BE IT FURTHER ENACTED, That the County is further
30 authorized and empowered, at any time and from time to time, to issue its bonds in
31 the manner hereinabove described for the purpose of refunding, by payment at
32 maturity or upon purchase or redemption, any bonds issued hereunder. The validity of
33 any such refunding bonds shall in no way be dependent upon or related to the validity
34 or invalidity of the obligations so refunded. The powers herein granted with respect to
35 the issuance of bonds shall be applicable to the issuance of refunding bonds. Such
36 refunding bonds may be issued by the County in such an amount as shall be necessary
37 for the purpose of providing it with funds to pay any of its outstanding bonds issued
38 hereunder at maturity, for the purpose of providing it with funds to purchase in the
39 open market any of its outstanding bonds issued hereunder, prior to the maturity
40 thereof, or for the purpose of providing it with funds for the redemption prior to
41 maturity of any outstanding bonds issued hereunder which are, by their terms,

1 redeemable, for the purpose of providing it with funds to pay interest on any
2 outstanding bonds issued hereunder prior to their payment at maturity of purchase or
3 redemption in advance of maturity, or for the purpose of providing it with funds to pay
4 any redemption or purchase premium in connection with the refunding of any of its
5 outstanding bonds issued hereunder. The proceeds of the sale of any such refunding
6 bonds shall be segregated and set apart by the County as a separate trust fund to be
7 used solely for the purpose of paying the purchase or redemption prices of the bonds to
8 be refunded.

9 SECTION 7. AND BE IT FURTHER ENACTED, That the County may, prior to
10 the preparation of definitive bonds, issue interim certificates or temporary bonds,
11 exchangeable for definitive bonds when such bonds have been executed and are
12 available for such delivery, provided, however, that any such interim certificates or
13 temporary bonds shall be issued in all respects subject to the restrictions and
14 requirements set forth in this Act. The County may, by appropriate resolution, provide
15 for the replacement of any bonds issued hereunder which shall have become mutilated
16 or lost or destroyed upon such conditions and after receiving such indemnity as the
17 County may require.

18 SECTION 8. AND BE IT FURTHER ENACTED, That any and all obligations
19 issued pursuant to the authority of this Act, their transfer, the interest payable
20 thereon, and any income derived therefrom in the hands of the holders thereof from
21 time to time (including any profit made in the sale thereof) shall be and are hereby
22 declared to be at all times exempt from State, county, municipal, or other taxation of
23 every kind and nature whatsoever within the State of Maryland. Nothing in this Act
24 shall prevent the County from authorizing the issuance and sale of bonds the interest
25 on which is not excludable from gross income for federal income tax purposes.

26 SECTION 9. AND BE IT FURTHER ENACTED, That the authority to borrow
27 money and issue bonds conferred on the County by this Act shall be deemed to provide
28 an additional and alternative authority for borrowing money and shall be regarded as
29 supplemental and additional to powers conferred upon the County by other laws and
30 shall not be regarded as in derogation of any power now existing; and all Acts of the
31 General Assembly of Maryland heretofore passed authorizing the County to borrow
32 money are hereby continued to the extent that the powers contained in such Acts have
33 not been exercised, and nothing contained in this Act may be construed to impair, in
34 any way, the validity of any bonds that may have been issued by the County under the
35 authority of any said Acts, and the validity of the bonds is hereby ratified, confirmed,
36 and approved. This Act, being necessary for the welfare of the inhabitants of Calvert
37 County, shall be liberally construed to effect the purposes hereof. All Acts and parts of
38 Acts inconsistent with the provisions of this Act are hereby repealed to the extent of
39 such inconsistency.

1 SECTION 10. AND BE IT FURTHER ENACTED, That this Act shall take
2 effect June 1, 2007.

Speaker of the House of Delegates.

President of the Senate.
